## THE STRONGBUILD 5-STAR GUARANTEE

*Your Peace Of Mind, Built In*

### CLEAR AND ONGOING COMMUNICATION

From the day we break ground, you'll have direct and ongoing contact with your dedicated Site Foreman. We keep you informed every step of the way — so you always know what's happening, what's coming up next, and how your build is progressing. Whether it's a quick question or a detailed update, we're always just a call or text away.

### QUALITY WORKMANSHIP YOU CAN TRUST

Unwavering Quality - it's non-negotiable. Every stage of the build is checked for quality and compliance. We are proud to be:

- Licensed Building Practitioners (LBP)
- Proud Members of the Certified Builders Association of New Zealand (CBNZ)
- Site Safe certified, with a serious commitment to health and safety
- Backed by over 60 years' combined industry experience
- We only work with longstanding, reliable local subcontractors and suppliers

### FIXED PRICE, NO SURPRISES

We offer a Fixed Price Contract structure, so you'll know exactly what your build will cost — no hidden extras, no unexpected overruns. If you decide to make any changes during the build, we'll price each variation and get your approval before any work begins.

From the start, we work with you to match your budget with a realistic scope of work, helping you make informed, affordable decisions early on.

### ON TIME, ONE JOB AT A TIME

We intentionally run one major job at a time, meaning you are our top priority. Every project comes with a detailed build timeline and a dedicated Project Manager who keeps everything (and everyone) on track.

You'll receive regular progress updates and have clear visibility on where your project stands — so you can plan your life with confidence.

### RESPECT FOR YOU AND YOUR HOME

We're a family-run business, and we understand that your home is more than a job site — it's your life, your future, and a major investment. Our team follows a strict Code of Conduct on every job, including:

- No swearing on site
- Clean-up after every break
- Friendly, professional behavior at all times
- Respect for your time, property, and privacy

### BONUS: THE HALO 10-YEAR GUARANTEE

Every StrongBuild project qualifies for the HALO 10-Year Residential Guarantee — New Zealand's most comprehensive independent building warranty. Available only through NZCB-approved builders, HALO protects your build (and your investment) long after handover.
